Reference for Poss Britton, PB Picnics

We have engaged the services of PB Picnics for numerous functions over the last couple of years. Our catering requirements have included finger food, smorgasbord fare, to sit down a la carte table service.

To work with Poss is a delight. She is perceptive in creative exciting menus to suit the specific occasion and season. The food is always delicious, with plenty of food at each course to fill hearty appetites. Desserts and pear flans are just gorgeous.

The PB Picnics team are unobtrusive, friendly and efficient. They blend well into your environment without taking over the role of host. To have Poss Britton provide the food at any party allows one to enjoy delicious food, mingle and look after your guests knowing their tastebuds will be more than satisfied.

At the end of the day I think it is more cost effective leaving the catering to the experts which frees you up to enjoy the occasion. We have always found PB Picnics very reasonable in the pricing for gorgeous goodies delivered and served in your own home.

A lot of our Sydney friends can't believe such a treasure is so close at hand.

I have no hesitation in recommending PB Picnics to any one contemplating the engagement of their services.
